Core Values

The Day of The Lord is NOT about an angry God that has finally lost His patience,
It is about Him using

The least sever method
To produce the greatest depth of love
In the shortest amount of time
To the greatest number of people
Without violating their free will.

God has purposed to:

Offend the mind to reveal the heart.
Removing everything that hinders love.

Jesus is committed to our wholeheartedness.

The Day of The Lord is NOT about charts and time frames...

It is about the Glory of the Lord being displayed throughout the Earth and Jesus the King of Kings extending the reality of His Kingdom from Heaven to the Earth.

Revelation 11:15 *"Then the seventh angel sounded; and there were loud voices in heaven, saying, "The kingdom of the world has become the kingdom of our Lord and of His Christ; and He will reign forever and ever." NASB95*

Regardless of whether you hold a pre, post, or mid-tribulation view, an amillennialist, or a pan (it will just all pan out), the Lord Jesus is returning. The praying church will play a very important role in these last days as the Spirit of the Lord paves the way of His return through the intercession of the church.
